

INTRODUCING QUICK CONNECT

for SENIOR SPACE

Deliver Text & Voice Recorded Messages to Your Members Simultaneously

Connect with the click of a few buttons! Senior Space's NEW automated voice calling and text messaging feature easily connects your community. Does your center have a change of hours due to inclement weather, COVID reopening announcements, or holiday schedule changes? Are you trying to request donations for fundraisers? What about sending out this week's menu? With Quick Connect, easily create messages and send to thousands of members, volunteers, and staff.

SENIOR SPACE INTEGRATION

Smoothly access your list of contacts in Senior Space and curate your messages right from the platform.

VOICEMAIL-FRIENDLY

No Answer? No Worries! It's hard to reach people by phone, which is why you have the option to leave a message if voicemail picks up.

SCHEDULE CALLS FOR A LATER DATE

Record your message now and send it later using our convenient call scheduler.

TEXT A LINK

Enhance your message with a link! Include a link for easy giving, map directions or additional details.
