

# WEBSITES *with* WECONNECT

MANAGING YOUR WEBSITE JUST GOT A LITTLE EASIER

Your center is a staple in the local community — you need a website that highlights all it has to offer. Make it everything it can be using WeConnect, LPI's easy-to-use website builder. Our straightforward interface makes it easy to set up and maintain your center's website. No previous website experience is required!

## BEAUTIFUL COLORS & THEMES

Choose from an array of beautiful webpage template designs that correlate with your center's color palette.

## PHOTO GALLERIES

Engage members and the community by using photo galleries to share images from all of your center's activities and events.

## ONLINE FORMS

From a simple Contact Us template, to an RSVP form, you'll find multiple ways to use our online forms feature.

## RSS FEED

Easily add and update content to your website with our handy RSS feed feature. No coding skills required!

## ONGOING WEB SUPPORT

LPI's best-in-class customer service representatives provide 1:1 training and ongoing technical support whenever needed.

## PREMIUM WECONNECT SERVICE PACKAGE

Let us design your website from the ground up with our Premium WeConnect Service Package. Our web designers will create and publish your center's content in an attractive, mobile responsive format. From beautiful hero images, call-to-action buttons, photo galleries, and a custom events and class calendar, we take your personal vision and make it a reality.
